

HUGH ASH MANOR GAZETTE
Number 39
October 22, 2010

To all Hugh Ash Manor Residents:

Our Gazette is a vital source of information that we can't live without here at the Manor, and I'm proud to have volunteers to help me distribute them. I would like to ask you all, when you have a chance, to please welcome these new volunteers and thank them for taking on the new task of delivering the Gazette each week. We now have, Alice Bennett for the 1st floor, Mary Stanford for the 2nd floor, Janet Angerer for the 7th floor and Sue Crews will continue to do the other four floors plus the laundry rooms.

Best regards always, Joan

I WANT TO THANK MY WONDERFUL NEIGHBORS WHO BROUGHT YARN FOR ME TO USE. I AM DEEPLY GRATEFUL. — DORA BOGADO APT. 707

I appreciate the birthday thoughts and all the lovely cards. I feel so blessed to have so many friends at Hugh Ash and for being able to spend another year with them.

- Thanks again, Merle Santilli Apt. 411

As you are well aware, we are in the midst of the election process of Floor Representatives to the Resident Council. These residents have worked tirelessly on your behalf in order to bring fun, entertaining activities here to the Manor. I wish to express my gratitude for all of those individuals who have been past, present or future members of the Resident Council. Keep up the good work!

Sincerely,

Richard Lynn

WE WILL SOON BE HAVING AN INSPECTION BY THE GOVERNMENT THAT WILL BE QUIET EXHAUSTIVE IN NATURE. DURING THAT TIME SOME 20 APARTMENTS WILL BE INSPECTED FOR VARIOUS ITEMS.

DURING OUR LAST VISIT WE WERE SIGHTED FOR SOME INFRACTIONS SUCH AS RESIDENTS PLACING FURNITURE IN FRONT OF WINDOWS WHICH WOULD BLOCK ACCESS BY FIREMEN IN CASE OF A FIRE, AS WELL AS, ITEMS BLOCKING THE ELECTRICAL PANEL BOX IN ORDER TO SHUT OFF THE ELECTRICITY, AND ITEMS BLOCKING THE A/C UNITS WHICH PREVENT THE FREE FLOW OF AIR IN THE EVENT OF SMOKE FILLING THE APARTMENT.

IF YOU FIND THAT YOU MAY HAVE ANY OF THE ABOVE MENTIONED INFRACTIONS IN YOUR APARTMENT, PLEASE MAKE ARRANGEMENTS WITH A FAMILY MEMBER TO REARRANGE THE FURNITURE SO THAT WE MAY PASS THIS INSPECTION WITH FLYING COLORS.

IF YOU HAVE ANY QUESTIONS, PLEASE SEE ONE OF THE STAFF MEMBERS AND WE WILL BE ABLE TO ASSIST YOU.

Holiday House in Deland buys China Buffet Building

After more than two months of looking, Deland's Holiday House restaurant has a new home. Willa and Larry Cook, the mother-son combo who ran Holiday House at its old location at 704 N. Woodland Blvd., closed on a new property to house the buffet restaurant.

On October 13 the Cooks closed on 1206 N. Woodland Blvd., former home to the China Buffet Restaurant.

The Cooks moved out of the former location at the beginning of August, saying they would find a new and smaller location for their restaurant.

Michael Cook, Willa's stepson, owns the old building, and is now preparing to open his own Cook's Buffet, Café and Bakery there in time for the holidays.

Stages of Senior Care: A Step-by-Step to Making the Best Decisions

Home Instead Senior Care founders Paul and Lori Hogan have written a book, *Stages of Senior Care: A Step-by-Step to Making the Best Decisions*. *Stages of Senior Care* serves as a comprehensive guide for the ever-expanding world of senior care, breaking down the process by addressing the shared concerns of seniors and their family members.

Featuring more than 30 sources from the most credible major healthcare organizations, universities and nonprofit organizations, the Hogan's thoroughly explain each and every aspect of senior care, including the array of available care choices, being a caregiver,

planning for your own future, aging in place, family and professional care options, how to choose an option and what to look for, financing care, insurance, legal matters, dealing with stress, communications and family relations. Specific chapters are dedicated to informing families about the many options available for professional care including senior centers and adult care centers, non-medical care at home, medical care at home, retirement and independent living communities, assisted living, skilled nursing homes, and hospice care.

“Senior care options have expanded almost beyond recognition in the last 20 years, yet most Americans are still only familiar with nursing homes or family care at home,” Said Paul Hogan. “In Stages of Senior Care, we present, fully and fairly, the multitude of options now available while at the same time helping people hold together their family and preserve their own well-being.

Copies of the book are available at local book sellers or by contacting 386-785-0640.

From Your Service Coordinator...

Resident Council Nominations need to be filled out as quickly as possible and returned to the box outside my door by October 29. Elections will be held November 11. If you have any questions, please contact a Council member or me.

Next Monday, October 25, from 11:00 a.m. until 1:00 p.m., we are hosting candidates running in current races at a Candidate Forum. We will give each candidate a few minutes to outline their platform, and then we would like to ask them questions submitted by residents. Please jot down questions you may want answered, put them in my box, and we will submit as many as we can to the candidates. This is a pretty unique opportunity to have political candidates come right to where you live so please take full advantage of it.

Avail Clinical Research will have a Meet & Greet on Tuesday, October 26 at 2 p.m. They will do blood pressure checks and speak about volunteering in research studies. Refreshments will be served.

You've probably heard something about Operation Christmas Child by now. Hugh Ash Manor is fully involved and committed to this exceptional ministry which provides small Christmas presents to the most desperate of children and introduces them to the word of God. There is a collection box under the mailboxes and we will have a "packing party" on Friday, November 12 from 10:00 to noon.

Not to get our holidays out of order, but the Resident Council is having a Halloween Party with a Covered Dish Dinner and Costume Contest. Bring food to share and put on your costume and join your neighbors for ghoulishly good time!

Apex plans to present a program called "Suds and Duds" showing how to make sure you are really killing germs and getting clean. Join them on Thursday, October 28 at 11:00 a.m. to 12:00 noon
